Funding support service

Funding Support

Maldon and District CVS can help local groups find funding by:

Identifying potential funders for projects and core costs

- Members can access M&DCVS resources and funding databases to search for charitable trusts and grant making bodies that may support their organisation
- If preferred members can fill out a funding search form and M&DCVS will prepare a report of potential funders.

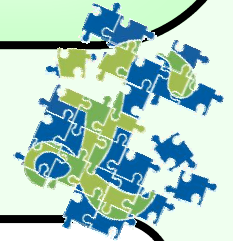

Keeping you up to date with funding news

- Quarterly newsletter with pages dedicated to funding information
- Regular E-bulletins containing information on forthcoming deadlines, time limited opportunities and new funding streams.
- Occasional mailings by M&DCVS from local funders keeping you up to date with their funding programmes.
- Occasional targeted mailings regarding funds specifically of interest to your organisation.

Assisting members to put together funding applications

- General guidance and tips on writing funding bids;
- Support with specific funding applications and questions;
- Proofreading of draft applications before submission;
- Signposting to relevant training opportunities;
- Advice on evaluation and monitoring procedures and identification of need;
- Support with putting together realistic budgets, including advice on full cost recovery for projects;
- Support to put in place practices required for funders for example: an Equal Opportunities policy, Safeguarding Policy or Monitoring processes;
- Access to the M&DCVS Resource Library at anytime and borrow publications on successful bid writing, full cost recovery, sustainability and much more;
- Providing an independent reference to support bids.
